HANDS-ON WORKSHOPS:

One hour of guided activities plus an hour to explore the park and museum.

Topics for ages 2 and up:

Animals

Meet some of the animals that live at the museum, act out a story with animal characters, play an animal game and make a craft.

Around the World

Visit different cultures from around the world through music, storytelling, games and crafts. Can be tailored to specific cultures of your choice.

Chesapeake Critters

Games, crafts, songs. Look for native wildlife in the woodlands and wetlands in our five-acre park.

Everyday is Earth Day

Pollution, recycling, erosion, and habitat. Tour the rain gardens. Use recyclables for art!

Lively Tales

Become the characters as folktales are told from around the world. Make a puppet to take home!

Music, Music, Music

Creative expression and world music activities. Make your own rhythm instruments to take with you.

What's Cooking?

Hands-on learning in the kitchen! Totally nutritious recipes. Please alert us to allergies and other restrictions. Add \$2 per person.

Let's cook!

Topics for ages 5 and up:

Creating with the Masters

Inspired by the lives and works of such masters as: Alexander Calder, Marc Chagall, Jacob Lawrence, Claude Monet, Georgia O'Keeffe, Pablo Picasso, or Andy Warhol.

Deconstruction

Take apart a machine to see how it's put together. Go on a scavenger hunt to find moving parts all around the museum. Design a new invention with moving parts.

Discover the truck pit!

The Skin You Live In

Find out why people come packaged in different colors with a globe, a flashlight, and history. Activities include matching our skin tones with ingredients from the kitchen.

Taking Off!

Learn about events and people in aviation history. Experiment with flying objects of your own making.

Lead On, Harriet!

Meet the famous conductor from the Underground Railroad. Recommended for ages 9 to adult. *Optional: For a 2 hour program including snack add \$2 per person.*

Please suggest other topics to meet the interests of your children!
